MOUTHGUARD CONSENT FORM

The Department of Education Curriculum Activity Risk Assessment (CARA) guidelines mandate that **mouthguards are compulsory** for students wishing to participate in a school sport representative event for the sports listed below.

- Australian Football (AFL)
- Hockey
- Rugby League
- Water Polo
- Rugby Union

The Department of Education strongly recommends that students wear custom-fitted mouthguards. Parents / Carers are requested to refer to the Australian Dental Association website below in order to make an informed choice about the different types of available mouthguards.

<https://www.ada.org.au/Your-Dental-Health/Teens-12-17/Mouthguards>

If a student is unable to wear a mouthguard for medical reasons, then a signed medical clearance certificate is required prior to participating in the representative event.

Please complete the parent / carer consent permission section below and return this form to the relevant team official, along with all other required paperwork, **prior** to the representative event.

Failure to comply with this permission process will mean that the student will be unable to participate at the specific representative school sport event.
