Hazards and suggested control measures

All persons engaging in this activity should:

- identify the hazards, including any additional hazards not mentioned here
- assess their significance
- · manage the potential risks.

Listed below are common hazards/risks and suggested control measures associated with activities. They are by no means exhaustive lists. After checking these, add details of any other hazards/risks or additional controls you intend to implement. For any items not applicable, please tick N/A.

implement i or any i	implement. For any items not applicable, please tick N/A.							
Hazards/risks	Recommended control measures	Yes	No	N/A	If necessary, detail how this will be implemented and any additional controls.			
Adults supervising	students							
Blue Card requireme	nts met							
Briefings	Brief all team officials at the pre event meeting regarding any potential hazards, safety controls at the venue and departmental policies.							
	Provide any relevant curriculum activity risk assessment guidelines to all supervisors of the activity.							
Emergency plans	Ensure that all supervisors are aware of the emergency contingency plans for the event.							
Special needs	Ensure that appropriate disabled access and facilities are available. These include:							
	disabled access to all facility areas (consider the gradient of pathways and ramps and the location of gutters and grates)							
	disabled access to toilet, wash basin and shower facilities							
	disabled parking.							

Hazards/risks	Recommended control measures	Yes	No	N/A	If necessary, detail how this will be implemented and any additional controls.
	Consider whether the planned program is suitable for those students with special needs who are attending.				
Environmental					
Venue	Physical survey of the grounds (walk around)				
	 Ensure that spectators and vehicles are kept clear of the competition and warm up areas. 				
	 Check the site for hazards, and implement controls as necessary. 				
	 Grounds correctly marked and correct equipment provided 				
	 Protective padding in place (if applicable) 				
	 Adequate dressing sheds and number of toilets; daily cleaning provided 				
	 Adequate safe seating, shade/shelter for spectators and participants 				
	 Suitable catering and provision of water facilities 				
	 Adequate PA system – able to be heard throughout the venue 				
Sun safety	 Adopt sun-safe strategies. For example: 				
	 ensure that shaded areas, hats, sun-smart clothing and sunscreen are used. 				
Hydration	 Ensure that drinking water is readily available. (Students should not share drinking containers.) 				
Weather conditions (e.g. storms, wind)	 Monitor weather conditions and have contingency plans. 				
Vehicles	 Safe and suitable parking, drop- off and pick-up areas 				
	 Establish safe, designated areas for people and vehicles. 				
Accommodation					
Billeting	Ensure that details of students' billeting accommodation is obtained and communicated to team officials				

Hazards/risks	Recommended control measures	Yes	No	N/A	If necessary, detail how this will be implemented and any additional controls.
Team Accommodation	Ensure that team accommodation booked is of a suitable standard with emphasis on cleanliness, catering and all required facilities.				
	Ensure that catering of meals is available, is of suitable quantity and standard for the age group and that special dietary needs can be catered for.				
	Ensure that team officials have access to phones, emergency phone numbers and a vehicle in case of emergency.				
Additional cont	rol measures (if required)				
These would relate to	o the specific student needs, location an	d condit	ions in	which	you are conducting your activity.

Risk Management

events

All Queensland School Sport events require a risk management process to be performed prior to the event commencing. This process is the responsibility of the teachers involved with the activity.

Principals and teachers should be aware that there are in effect three risk assessment areas as identified by the Department:

Curriculum Activity Risk Assessment (CARA) for the particular sport - Completed by the Team Coach

Representative Sports Event - Team Manager - Completed by Team Manager

Representative Sport Event – Convenor – Completed by Convenor

Team Coach -

teachers

Risk Management: Representative Sports Event The following table summarises the risk management process and who has the associated responsibilities						
Event Level	Risk assessment prepared by	Risk assessment approved by	Location of Approved Documentation			
District Events	Convenor – usually teachers	Chair of the District Sport Management Committee	School of the District Sport Committee Chair			
	Team Manager - usually teachers	Principal from the school of the teacher official	Teacher's school			
	Team Coach - usually teachers	Principal from the school of the teacher official	Teacher's school			
Regional Events	Convenor – usually teachers	Regional School Sport Officer	Regional School Sport Office			
	Team Manager - usually teachers	Chair of the District Sport Management Committee	Teacher's school			
	Team Coach - usually teachers	Chair of the District Sport Management Committee	Teacher's school			
State Events	Convenor – usually teachers	Regional School Sport Officer	Regional School Sport Office			
	Team Manager - usually teachers	Regional School Sport Officer	Teacher's school			
	Team Coach - usually teachers	Regional School Sport Officer	Teacher's school			
Queensland hosted Interstate	Convenor – usually teachers	Qld School Sport Unit	Qld School Sport Unit			
& International events	Team Manager - usually teachers	Qld School Sport Unit	Teacher's school			
	Team Coach - usually teachers	Qld School Sport Unit	Teacher's school			
Other Interstate & International	Team Manager - usually teachers	Qld School Sport Unit	Teacher's school			

Note: For International and Interstate events hosted outside of Queensland and where the event conveners have not published a risk assessment, then the team manager will complete the "Sport Event – Convener" document and upon their return to Queensland have the document stored as per the above schedule.
