

Tennis

The planning considerations that are common to all curriculum activities can be found in the [CARA generic template](#). These must be considered as well as the activity-specific considerations outlined below.

Activity scope

This guideline relates to student participation in tennis as a curriculum activity, including skills development, training and competitions.

Mandatory/special requirements

Mandatory requirements must be met for the activity to be conducted. Special requirements are to be considered in the planning and delivery of this activity.

Tennis Australia set out [modified rules](#) and equipment requirements for participants who are 10 or younger. Modified versions of tennis may include additional and/or alternate risks and equipment that should be considered in planning this activity.

Guidelines/codes of practice are established for this activity. Refer to [Tennis Australia](#) and [Tennis Queensland](#).

Risk level

- **Medium** risk: Teaching of tennis skills, training and competitions.

Minimum supervision requirements

- Covered in the Planning Considerations section as outlined in the [CARA generic template](#).

Minimum qualifications for supervisors

- A registered teacher with competence (knowledge and skills) in the teaching of tennis.

OR

- A registered teacher or other activity leader with [Tennis Hot Shots](#) coaching accreditation from Tennis Australia. This course may be undertaken through the [Get Active Queensland Accreditation Program](#).

Minimum requirements for equipment/facilities

- A clearly defined playing area (including boundary clearances).
- Adequately enclosed playing courts.
- Racquets that are an appropriate weight and size (including grip size) for the students.
- Footwear appropriate to the playing surface and type of activity (i.e. training or match) and age of participants.
